A man with dark hair and a light beard, wearing a blue and dark blue long-sleeved shirt and grey trousers, stands with his arms crossed. He is looking off to the side. Behind him is a rugged mountain landscape with a large, snow-capped peak under a cloudy sky. The scene is set in a high-altitude, arid environment.

THE ARTIST

Rohit was born and raised in the majestic Himalayas. The breath taking landscapes and serene environment of his homeland have profoundly influenced his artistic vision and style. His journey into the world of art began with his wondering in the mountains in his youth and is inspired by the natural beauty surrounding him and the rich cultural heritage of the region.

Rohit's work is characterized by his masterful use of water colours to capture the ethereal beauty of the Himalayan landscapes and other images for his journeys. His paintings are a delicate blend of vibrant colours and intricate details, bringing to life the daily life of the people, the cities and the views that he sees.
